

Daily Toilet Cleaner

This Daily toilet cleaner is for internal surfaces of sanitary ware, squeeze the bottle to apply liquid under the rim of the toilet bowl. Reduces odour leaving the toilet clean and fresh.

Best practices

We don't like harming people or the environment so our products are not hazardous when they are diluted. The powder in the sachet is hazardous however we have wrapped it up safely in water soluble film so you don't come into contact with it.

Please make sure you:

Store the sachets in a dry area and keep them inside the packet until you need them. Only handle the sachets with dry hands. If any sachets are damaged please do not handle them without wearing PPE and always avoid the powder making contact with your eyes or skin.

Read and follow the safety data sheet provided.

Always follow the colour coding.

Once diluted the solution is not classified with any hazard.

Classification

Powder only

But the sachets outer film keeps you safe

Instructions

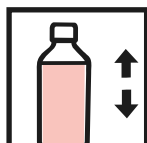

1. Add water to the fill line.

3. shake the bottle vigorously until sachet fully dissolves. Leave to stand for 5 minutes.

2. Place the sachet in the bottle.

4. Top up with warm water to fill line. Shake and leave to stand for a further 10 minutes.
