

# Neutral Scrubber Drier Cleaner

> A low foam detergent for the machine cleaning of floors. Suitable for use in all scrubber drier machines. Designed for the daily cleaning of polished floors and sensitive surfaces. Effectively cleans without damage or reducing the shine.

### Best practices

We don't like harming people or the environment so our products are not hazardous when they are diluted. The powder in the sachet is hazardous however we have wrapped it up safely in water soluble film so you don't come into contact with it.

#### Please make sure you:

Store the sachets in a dry area and keep them inside the packet until you need them. Only handle the sachets with dry hands. If any sachets are damaged please do not handle them without wearing PPE and always avoid the powder making contact with your eyes or skin.

Read and follow the safety data sheet provided.

Always follow the colour coding.

Once diluted the solution is not classified with any hazard.

### Classification

Powder only

Once diluted

**NOT CLASSIFIED UNDER CLP**

But the sachets outer film keeps you safe

### Instructions

1. Add water to the tank fill line.

3. Agitate the water

2. Add required number of sachets as per dilution instructions or for some machines pre-mix solution.

4. Ready to use

### Product specification

|                |   |
|----------------|---|
| Product code   | SCFS30NCP                                 |
